

RISE EUROPE

Study. Build. Belong.

Europe's Integrated Study + Enterprise Platform
for
International Students and Migrant Entrepreneurs

Dr. Eng. Vimbai Pachawo, *CEng MIAgrE*

Ramotitânico Consultancy · Braga, Portugal

DEFINITION

What is RISE Europe?

Redefining student migration.

An integrated education, migration and enterprise platform that empowers international students to build businesses while pursuing higher education in Europe.

WE INTEGRATE

Education

Settlement

Enterprise

Community

OUTCOME

Graduate with

- ✓ A recognised degree
- ✓ A sustainable income
- ✓ A registered business
- ✓ A professional network
- ✓ A pathway to belonging

Study. Build. Belong.

THE IDEA

A New Model for Migration

Europe needs talent.
Young people need opportunity.
RISE Europe connects both.

Instead of asking students to wait until graduation before they begin contributing, we help them build businesses while they study.

**Study
While
Building**

The RISE differentiator

THE PROBLEM

Traditional Student Migration

A linear, slow sequence that delays contribution.

Study

Graduate

Search for work

Maybe stay

RISE changes the sequence.

THE RISE MODEL

Study While Building

- 1 Apply
- 2 Arrive in Portugal
- 3 Enrol at university
- 4 Receive settlement support
- 5 Launch a small business
- 6 Graduate with :
 - ✓ Degree
 - ✓ Business
 - ✓ Income
 - ✓ Network
 - ✓ European experience

THE BASIS

The Four Foundations

Education

Admissions
Visas
Recognition of
qualifications

Economic Independence

Motorbike fleet
Digital work
Self-employment

Settlement

Housing
Bank account
Tax registration
Community

Enterprise

Business
registration
Mentoring
Investment
readiness

CONTEXT

Why Portugal?

One of Europe's most welcoming innovation gateways.

- English-taught programmes
- Affordable living
- Startup ecosystem
- Gateway to the EU
- Strong links to Africa, Asia and Latin America

"Every researcher deserves a platform where their ideas can influence society."

CONFERENCES

Quarterly International Research Conferences

One conference every three months.

THEMES

Sustainable
Development

Artificial Intelligence

Agriculture & Food
Security

Education

Climate Change

Entrepreneurship

Innovation

Public Health

EXPECTED OUTCOMES

- ✓ International networking
- ✓ Publication opportunities
- ✓ Industry partnerships
- ✓ Startup pitches
- ✓ Research collaboration

RESEARCH FORUM

Monthly Research Collaboration Forum

A monthly "Research Exchange."

OBJECTIVES

Present ongoing research

Find collaborators

Discuss funding opportunities

Develop multidisciplinary projects

Connect universities and industry

Build international research teams

CONSULTANTS PANEL

Weekly Regional Educational Consultants Forum

Every week. A live operating rhythm.

PURPOSE

- Share recruitment updates
- Discuss university partnerships
- Review student support
- Exchange best practices
- Plan outreach activities
- Coordinate regional programmes

OUTCOME

A strong international network working together to expand educational opportunities across regions.

THE RHYTHM

An Annual Calendar

The rhythm of our programme.

FREQUENCY	ACTIVITY
Weekly	Regional Educational Consultants Meeting
Monthly	International Research Collaboration Forum
Quarterly	International Research Conference
Continuous	Academia Humanities Research Journal
Annual	Global Innovation & Entrepreneurship Summit

OUR VISION

Don't just migrate.

Build.

Study.

Create.

Belong.

We are building more than a programme; we are creating an international ecosystem where researchers, universities, industry, governments and entrepreneurs collaborate continuously.

Learn Together. Research Together. Innovate Together. Prosper Together.

Muito obrigada.

See you soon in Portugal
